Prevent. Promote. Protect.

According to North Carolina law, all students entering Kindergarten must present a health assessment (physical exam report) and proof of immunizations on the first day of school entry.

In addition, the Tdap vaccine (Tetanus, Diptheria, Pertussis) is required for all students entering 6th grade and proof must be presented on the first day of school. If documentation is not provided, parents and/or guardians have 30 calendar days to provide documentation or the student shall be excluded from school until proof is presented.

Rowan County Health Department is offering the following clinic to help you meet these requirements.
